DANIEL CHAPTER 9

**Follow-on from Sermon on Daniel's Prayer
preached on 13 September 2020**

God shares something of the future with Daniel following Daniel's prayer of confession and submission. The timing of everything that is going to happen is known to God. God is in control of history and the times are in his hands. This study leads on to our final sermon in our Daniel series next Sunday.

- 1. Jerusalem will be rebuilt. But what does God say about that? (vs.25)**
- 2. What does God says about how he will deal with sin? (vv.24-26)**
- 3. What about the Temple? (vs.26)**
- 4. Do you identify a character from this passage later picked-up in the New Testament?**
- 5. What hope does God give Daniel?**
- 6. What does this passage teach us about God?**
- 7. How has this chapter impacted on your personal walk of faith?**
